How comfortable are you in reviewing this paper?					
	Very Confident	Confident	Adequate	Not Confident	Not my Area
Your Choice		X			

Overall comments and changes that MUST be made before publication:

Paper length is Too long.
References are properly cited and not correctly elaborated.
No need of code to publish in the paper.
Equations are not proper and numbering is needed.
Figure 4 is not clear
Figure 3 also are not visible and clear.

Suggestions which would improve the quality of the paper but are NOT essential for publication:

Code and Appendix are not need.

Overall Recommendation:

	Strongly Reject	Reject	Marginally Accept	Accept	Strongly Accept
Recommendation if exists should			X
